

*A thousand-year long history lies in the hands of Ferruccio Ferragamo, who fell in love with the Il Borro Estate in 1985, at that time belonging to the Duke Amedeo D'Aosta. For years the Ferragamo family rented the Tuscan Estate, up to 1993, when the decision was made to purchase the entire property, which included the Medieval Village and the Manor house.*

*With its 1,100 hectares, the Il Borro Estate is bordered by the ancient “via dei Setteponti“ road, a junction between the main Tuscan towns of Florence, Arezzo and Siena, in the basin of the Valdarno river valley. It is a region rich in art and culture. The Estate, which lies on hills 300-400 meters above sea level, has a soil, which is particularly favorable to the cultivation of wines and olive trees.*
